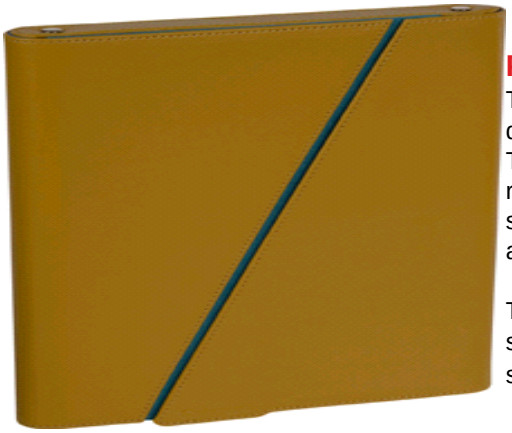
Product Specification Sheet

Targus Z-Case for iPad

Part #: THZ02102EU



Product Description:

The Targus Z-Case features a hard-shell leather exterior designed to provide a protective structure for the iPad. The interior lining is soft to the touch and scratch-resistant to protect your iPad's surface. The sleek and stylish design features an interior color that offers an appealing contrast to the case's exterior.

The Z-case is simple yet sophisticated and features a secure magnetic closure which opens and closes using a small, unobtrusive tab at the bottom of the case.

Product Features and Specifications:

- Compatibility – Designed specifically for the Apple iPad
- Functionality – Secure magnetic closure, protective exterior
- Material – Soft, scratch-resistant interior lining; Hard-shell leather exterior
